

Warren County OH Beekeepers
January 17, 2021 Minutes

Zoom meeting:

| | |
|-------------|----------------|
| Keith Mealy | Patty Siebert |
| Eileen Hahn | Geoff Hultgren |
| Joe Hahn | |

Bee School on Jan 30:

- A few people have signed up for bee school (8-12). Eileen wants to just have a couple people from each family be allowed in (too many people with speakers and visitors together). Rose has a way for people to pick their times as they sign up. She and Eileen will call people if need be.
- Keith Mealy will be there at 8 am. Joe Hahn will join him as well as will Mike Karraker from Bella Bella bees. Joe will bring catalogs/magazines.
- Geoff will get the code for the door from the Fairgrounds.
- The school will start at 9 am and be done by noon.

Zoom meetings:

Feb 3 Terry Lieberman-Smith **Basic Overview and Placing your Hive** 7 pm
Feb 10 Suzanne Geisler **Bees Throughout the Year** 7 pm
Feb 14 Keith Mealy **Hive Woodenware** 1:30 pm
**Please send Rose a note about what you will cover. It will be the club meeting as well.*
Feb 17 Joe Hahn **Installing your Hive/Nucs** 7 pm
Feb 24 Geoff Hultgren **Pest Management** 7 pm

Someone at the Soil and Water District will help people pre-record their zoom meetings. Eileen is helping to make some short clips to imbed in some of these recordings. The Soil and Water folks will keep some of these recordings on their website so people can look at them. Terry is not pre-recording her program. We also need someone who could be moderator – maybe Paul Dorger or Terry could do that?

Eileen mentioned that everyone should have a slide at the beginning and maybe at the end about our bee club. Talk about the club and what services our club provides and how helpful it is. Good idea.

March meeting

- Eileen mentioned great speakers are available from other groups like OSBA.

No 4H scholarships this year.
