## BUDGET

You have \$500.00 to spend. This may sound like a lot of money, but it will not cover everything you will need to begin this fascinating hobby. Please think about how you plan to spend this scholarship and complete a budget. For estimated costs you may use the Internet to look up several beekeeping supplies catalogs such as [kelleybees.com](http://kelleybees.com), [dadant.com](http://dadant.com), [betterbee.com](http://betterbee.com), [bellasbeesupply.com](http://bellasbeesupply.com). There are several others, but you can start with these. If you have a mentor, he/she will be able to help you make your choices.
