Our 2022 Bee School will occur on Saturday, 1/29/22, at 108 E. Church Street, Mason, OH.

The topics and time slots are as follows:

9 - 10, Equipment and setup
10 - 11, Beekeeping thru the year
11 - 12, Bee siology
12 - 1, Lunch
1 - 2, Installing a package and/or a nuc
2 - 3, Pest management
3 - 4, Woodenware

Geoff will obtain the powerpoint slides from each speaker to assemble into printed booklets for attendees.

The 2022 calendar was decided with the monthly meetings focused on the following topics.

January, Bee School no regular meeting
February, Pollinator gardens
March, Swarm control
April, Pest control
May, no meeting Mother's Day
June, Hive inspection off site Ceasar's Creek
July, Extracting honey
August, Queen replacement and Combining hives
September, Picnic and swapfest
October, Winterizing hives
November, Products from the hive including baked items using honey
December, Christmas party and officer elections

Changing the meeting day and times was discussed, with no action decided.
