Next Meeting:

Please read this notice carefully: On **SATURDAY, June 8, at 1:30pm** we will have a joint meeting with the Butler County Beekeepers club. The club's president, Larry Johnson, will demonstrate how to inspect a hive and perform a mite test. He will also discuss how we beekeepers can persuade county park personnel to create pollinator patches. The address: **4178 Oxford Middletown Rd, 45064.**

NOTE: this address in Google Maps shows as a red dot in a field, but it is on the road referenced. We will post a sign out front to assist in locating the address.

Bring your bee suit so you can get close to the hive.
