

Warren County Beezette

December 2025

December News:

- **Warren County Bee School is Saturday, January 24th!** Register now for our most popular event of the year. This all-day event provides new or aspiring beekeepers with needed know-how. This year is in a beautiful new venue at Armco Park, with a lunch option and expanded beekeeping supply vendors for a one-stop shop! Sign-up for Bee School and get a free 2026 club membership! (add registration link)
- **No Club meeting this month!** Enjoy the holiday season and we hope to see everybody at Bee School on Saturday, January 24th!

November Recap:

- Thanks to everyone who came to our first ever **Holiday Honeybee Market!** It was a fun evening of apple cider, hot cocoa and holiday shopping. Special thanks to the nine vendors who brought their treasures to sell!

What to do this month: (from “Beekeeping for Dummies” by Howland Blackiston)

- Check hive entrances for obstructions.
- Ensure mouse guard is in place.
- Consider Varroa treatment with OA vaporization.
- Time to research your books and continue to be observant. Check previous lists to confirm you are ready for the coming year.
